

Dear Friend,

Thanks to you and other supporters, we are celebrating our 10th annual DisAbility Sports Festival at Cal State San Bernardino! Over the years, we have developed festivals in both Southern CA and other states, created swim programs for both Wounded Warriors and community members with disabilities, and partnered with organizations to provide seasonal sporting events throughout the year. We could not have done it without great sponsors and supporters like you.

This year, we want to make an even bigger impact in the community but we need your help. The goals for this unique festival are:

- a) to increase the quality of life and health of people with disabilities by introducing them to sports and physical activity opportunities;
- b) to raise awareness of disability sport and physical activity to the community; and
- c) to provide a service learning opportunity for CSUSB students.

By participating in the festival, people with disabilities discover there are **no limits** to their potential and there are multiple opportunities that exist in sport and physical activity within their local community.

Throughout the festival, people of all ages and disabilities participate in over 25 sports led by internationally-recognized Paralympic coaches and teachers and learn about services for them in our resource fair. Though the festival is **free** for the expected 900 participants, it costs approximately \$100 per participant to host the festival. Special events such as this can only survive with financial support from people like you. Your partnership with the DisAbility Sports Festival will help ensure that we can continue to provide this event at no cost to the participants. This is why we invite you to participate as a sponsor or scholarship donor for our Disability Sports Festival.

We have listed several different opportunities for you to become involved through sponsorships or scholarships on the following page. Your donation demonstrates your support *not only* to the participants in the festival, but also to the family and friends that attend and support these athletes. With your donation, the growing number of people with disabilities within the Inland Empire will be able to participate in this unique event.

The Disability Sports Festival planning committee members respectfully request your financial support or in-kind gift for this festival. Please contact me at the number below with any questions or to arrange your sponsorship or scholarship contribution. Our nonprofit tax identification number is on the top of our next page. Checks can be made payable to CSUSB Philanthropic Foundation c/o DisAbility Sports Festival and sent to 5500 University Parkway, Department of Kinesiology, San Bernardino, CA 92407. We look forward to creating a mutually beneficial partnership with you for this important event.

Sincerely,

Aaron C. Moffett, Marissa Congdon, Guillermo Escalante
